

Invitation to Technical Meeting

Topic:

EU MRV Regulation – Overview, Update and Guidance

In June 2013, the European Commission proposed a strategy for progressively integrating maritime emissions into the EU's policy for reducing its domestic GHG emissions. After a two-year legislative process involving all EU institutions, this strategy was adopted by European Parliament in April 2015. The Regulation 2015/757 (Shipping MRV Regulation) came into force on 1 July 2015.

Verifavia Shipping will provide an overview, update and guidance on what is required, the important timelines and how to comply to the regulation in the most efficient and independent manner.

Presenter:

Yuvraj Thakur, Commercial Head APAC, Verifavia Shipping - Paris, Athens, London, Delhi

Venue: Grand Excelsior Hotel Bur Dubai (Sea Room 1st floor)
(Location map attached. Free Valet Parking & Self-parking in the basement)

Date & Program: 18 June 2017 (Sun)
